AMENDMENT

Dear Sir:

In response to the Office Action mailed October 31, 2006, please amend the above referenced application as follows:

Claims 1-33 remain in prosecution. Claims 1-33 are subject to a restriction and/or election requirement under 35 U.S.C. § 121.

Applicant wishes to continue prosecuting claims 1-14 and 25-33, drawn to a composition of matter and a nonaqueous gel product, classified in class 106, subclass 11.

Applicant wishes to cancel claims 15-24, drawn to a method for increasing rest viscosity and a method for increasing the viscosity of mineral oil respectively, classified in class 514, subclass 772.1, *without prejudice*.

If the examiner believes a telephonic interview with Applicant's representative would aid in the prosecution of this application, she is cordially invited to contact Applicant's representative at the below listed number.

Respectfully submitted,

Arthur M. Dula
